The club membership is hereby given notice that a vote to fund the bills for the baffle project for the amount the bills exceed the budgeted amount will be taken at the July club meeting.

Baffle thank you,

A huge thank you goes to mark Bierman and Bierman Contracting for their recent work at the range erecting the baffle. Bierman's not only did a wonderful job, but donated all of the engineering design work and the cost of the skidsteer and excavator.

Distar Industries was also instrumental in making this project happen. As you all know, drilling holes in armor plate steel is all but impossible. Darin and Cory Ditter at Distar have the specialized equipment and the know how to make the bolt holes for our baffle plates.

Thank you very much,

Columbus Rifle Club officers and members.

Bowling Pin Match
Ron Brooks

June 22, 2019

The bowling pin match was a fun success. Head to head elimination style competition puts a whole new level of urgency into the event. Ten people showed up to compete.

We started off with three pins on 4'x4' plywood at 10yds with winners of each bracket competing with each other until an overall winner, Nic B., was crowned winner.

The losers went on to compete with each other until a winner was announced. Billy B. was the winner of the losers bracket.

Nic B. and Billy B. went head to head with Billy B. victorious.

We then set up six pins per table for a winner take all. Billy B. again was victorious.

Nic B. then brought out ten 4" plates on pins and one drop plate. Best time was Nic B. at 11.10 sec.
