Minutes for April 1st, 2019

1. The meeting was called to order at 7:00 pm by President Tim Matthews with a declaration of a quorum and the Pledge of Allegiance.
2. Andrew Malcolm read the minutes from the last meeting which were approved.
3. Vice President Jerome Slusarski did not have a report.
4. Treasurer Doug O. was absent due to a grandchild's music program, but he did provide a detailed report on the income, expenses, checking and savings balances for the month.
5. Ron Brooks reported that the tractor shed garage door had been fixed and that the footings are in for the new baffle system. The footings will need to cure for a few weeks. The baffle is scheduled to be erected around the end of this month or the beginning of May. **While the baffle erection crew is working at the range the entire range is closed to all shooting.**
6. Membership Officer Dave Lawrence did not give a membership report.

7. Old Business -

- a. A short discussion on the baffles was held. The footings are 4' 6' deep into the ground and 10' 6" long by 6' wide. A big thank you to Mark Bierman.
- b. There was a question from a member concerning spouses and the new waiver requirement. The simple answer is yes, spouses must sign a waiver each and every time they go to the range with a member.
- c. The new KYL targets were also discussed. The club voted to approve of up to \$1200 to purchase these targets. The actual order came to \$853 for the Know Your Limits targets plus two rabbits. All of the targets including the rabbits should be here by Easter.

8. New Business

- a. There was a suggestion made by a member to augment the first aid cans with additional supplies. Suggestions included a tourniquet, chest seals, trauma shears, clotting material and special bandages. The Executive committee will look into making this happen.
- b. Skip Fricke questioned the height of the steel challenge target posts. Tim answered his question, stating that the posts are the correct height as per Steel Challenge rules. The posts in question are 5' tall with the actual steel target hanging

down from the top of the posts. That means the center of the plates are approximately 4' 6" above the ground. The Executive committee will need to think this issue over and get back to the club.

8. A motion was made by Leon Jansen to adjourn at 7:55 pm. The motion was seconded by Charlie Quail. Attendance for this meeting was 24 members and 1 guest.

Match Results

The match results shown below are for two official Steel Challenge stages. Shooters can choose from many divisions. RFRO = Rimfire Rifle with Optic, PCCO = Pistol Caliber Rifle with Optic, RFPO = Rimfire Pistol with Optic, RFPI = Rimfire Pistol with Irons, IRS = Iron sighted Revolver, OSR = Optic sighted Revolver. OPN = Open and LTD = Limited. Rimfire times are usually the faster due to the almost complete lack of recoil. Getting back on target after the shot takes precious fractions of a second even for the best shooters. Sam Tucker had a shot run of 1.51 seconds during this match. Unreal!!!
